- PCAC is planning a series of meeting on flooding. Flooding is a concern to residents and businesses because of risks to lives and property. Flooding is also a concern because flood waters flow to Galveston Bay and may affect its multiple uses. So we will launch the series with a look at the bay. (Our flooding speakers were not available this month.)
  - Sasha Francis of the Galveston Bay Foundation will share the Galveston Bay Report Card to update us on a variety of factors that indicate the health of the bay. She also may seek your advice.
- 7:00 **Updates**
- From PCAC plants
  - Other
- 7:15 **Review plans for future meetings**
- Tues. Apr. 26 -- *How Plants Prevent Flooding on and off the Plant Site*
- The first of 3 meetings on flooding will focus on steps that plants take to prevent and control flooding on their plant site and what they can do to prevent their plant from causing flooding on public roads or nearby homes or businesses.
- Tues. May 24 – Flood Control Efforts in Pasadena
- Harris County Flood Control District Pct. 2 Liaison Jeremy Ratcliff will discuss projects underway and planned.
  - If timely, we will invite the city to speak.
- 7:30 PCAC meeting adjourns.

**\*Polling indicated most were ready to return to in-person meetings. The meeting room is large. We will set extra tables. You will choose your own seat and may sit away from others. Be comfortable wearing a mask if you wish, though we expect most will not. The facilitator will. Food will be box lunches and bottled water. Handouts will be avoided if possible. If you have questions, contact Diane.**
