6:10 Workforce Development I: Overview and the PetroChem Works Tool

- PCAC will hear from Patti Bell, Workforce Development Program Manager at Economic Alliance Port Region, who will talk about the many kinds of jobs there are in plants, typical requirements for them, how to apply for them, and where to find out about them. Bell speaks with students, parents, administrators, counselors, and community members about careers in the Port Houston area.
- Bell will demonstrate East Harris County Manufacturers Association's PetroChem Works website and how to use this tool to find a job in industry.
- PCAC attendees are encouraged to bring students and other young adults to the meeting to hear this information and to see a tool that may help them find jobs in industry.
- Working with the Pasadena Chamber of Commerce, PCAC will assemble a handout listing institutions in the Pasadena area that provide training to those seeking jobs in industry.
