SOME OTHER
THINGS YOU NEED
TO KNOW**

ESSENTIAL SKILLS NEEDED FOR THE PETROCHEMICAL INDUSTRY

Pass a drug test

Pass a background check

Good communication skills

Show up every day -- on time

Work as part of a team

Be willing to learn

Focus on Safety

Petrochemical companies are **deeply committed** to reducing risks and keeping their employees, contractors, and the communities where they operate safe. A part of this is **Personal Protective Equipment PPE** (safety glasses, ear plugs, protective clothing, and other things as required) when needed.

If you're committed to safety, are reliable, and committed to doing the best job you can, you're a great fit for Petrochem.
